Student Kurada Presents Vitamin D Deficiency Poster

Student, Jayakrishna Kumar Kurada presented a poster in November, 2010 titled: A CROSS SECTIONAL PILOT STUDY OF VITAMIN D DEFICIENCY AMONG ASIAN INDIANS IN NORTH TEXAS. Student Kumar has recently completed his practicum at the Primary Care Research Institute under Dr. Tasleyma Sattar, PI, and is pictured above with Family Medicine Assistant Professor Bandana Chakraborty, Dr. Anna Espinoza, PCRI Senior Project Coordinator, and Lorna Brooks, PCRI Research Coordinator. Read more information about the Vitamin D Study on page 12.

Today's research is tomorrow's medicine.
